I gave Richelson a second reminder re the outstanding doc request on Monday; by end of day, if there is no response, I'd like to close the case. I'd be happy to draft the "exec summary" you mentioned in an earlier email, if you wish (if so, could you send me a model?).

I suggest going over results with Lisa Damask prior to speaking to the department, to get her read/buy in. I agree that Wilder as well as Cardinale should participate -- it would finesse any personal relationship between Richelson and Cardinale; that Sheehan addressed Wilder directly should do, I think, for a stated reason to bring in Wilder.

Paul,

Let me know when you are ready. I'm thinking we may want Doug Wilder to participate if Laura is a personal friend of Linda's. Your thoughts? We can also run by Lisa. Thanks for your hard work on this.

Mary,
Thanks for the update. Doug Wilder is the Senior VP and Laura Cardinale is the VP. Linda reports directly to Laura. I would like to participate in the readout. Let me know the date you will be ready and we can work to set-up a conference call.
Thanks again.

Dear Doug,

Today I received this email from Linda Richelson stating that she would like to hold a meeting to review my evaluation. As you know, there is currently an ethics investigation being conducted by the Office of Ethics and Business Conduct against Ms. Richelson.

The last time I spoke with Ms. Richelson, her behavior was out of control and unprofessional. Because of her previous behavior and the current active investigation, I believe that it is not appropriate for me to meet with her.

I am also extremely disappointed that she was allowed to give me no raise and a 3.6% PIP award in lieu of the facts that I presented to you. I was of the understanding that my evaluation would be given to me after the investigation was completed and a fair assessment of my contributions and performance would then be evaluated.

I would like to discuss this issue with you. Please page me on 781.677.5551 at your convenience.

Thank You

Lisa,

Paul said he would give Linda a reminder today about providing the documentation she stated she had. Also, Paul will review the results with Linda's organizational leadership (am I correct in assuming that Doug Wilder is the proper person or is it someone else)? He can include you in the discussion as well since you are the HR BP. I'll follow-up with Paul to assist with an executive summary and plan next steps i.e. the meeting. Please let me know if you have any questions in the mean time. Thanks.

Thanks for the support. I followed-up with Eric on Friday per Doug's request. As you can imagine, Eric was not happy with his ratings or the \$'s that he receive for VIP. He also does not agree that he should have received no merit. He kept referring to all of the information that was provided and is expecting all of this to be overturned as a result of the investigation. At this time he does not wish to have any performance review with the organization, and is awaiting the outcome of the investigation. Based on Paul's message from last week, I informed Doug Wilder that the investigation would be complete in two weeks. Would you like to follow-up with Linda to get the additional information that Paul requested? When Paul is finished with the investigation, how will we be notified...we'll a meeting be scheduled to give a readout? Should we schedule something?
Lisa

Lisa,

I just finished talking to Paul McGovern and he indicated he is waiting for some documents that Richelson had promised him last week...and then he'll be able to wrap things up. Regarding your note below, do you need any

assistance? If so, Paul or I are happy to help. Let us know. Thanks.
